Why Study At ALARD?

WE HELP YOU STAY AHEAD OF CURVE

At ALARD, we go beyond traditional academics to offer cutting-edge career development programs designed to equip you with the skills and knowledge demanded by today's dynamic job market. From specialized workshops and industry-specific certifications to personalized career counseling, our comprehensive approach ensures that you are well-prepared to excel in your chosen field.

WE KNOW EVERYONE

Our unparalleled industry connections are your secret weapon to academic success. With easy access to real-world professionals, mentors, and potential employers at your disposal, you open doors to exclusive internships, job placements, and networking opportunities, making ALARD the ultimate destination for your career aspirations.

WE OFFER REVOLUTIONARY EXPERIENTIAL LEARNING OPPORTUNITIES

Brace yourself as we immerse you in captivating industry projects, ignite your curiosity with cutting-edge research initiatives, and place you at the heart of immersive internships that transcend the ordinary. Unveil invaluable insights, forge an extraordinary portfolio, and cultivate the confidence required to conquer the untamed terrain of your dream career.

ALARD University Pune, a legacy that spans a generation, is more than just a university. It is a world class institution where dreams become reality, pupils become pioneers and success stands at the precipice of hard work. Our acronym-**ALARD** stands for **Attitude, Leadership, Alertness, Readiness** and **Dedication**. Founded in **1999** under the visionary leadership of **Dr. L. R. Yadav**, the mission was to sow seeds of knowledge and skill in student's minds, fostering entrepreneurship to enrich the lives and careers of youth, thus becoming a catalyst for change in both individual lives and society.

ALARD University Pune is now synonymous with **quality education** in the country, which curates and nurtures future professionals to lead the nation. It has emerged as one of Pune's most esteemed universities and is now looking to reach the world with an advanced and efficient learning model.

OUR VISION

To be a world class institution that promotes excellence in higher education through research, creativity, entrepreneurship by fostering leadership qualities in the learners.

OUR MISSION

- Provide students with application oriented education, integrating theory and practice, and prepare them for the job market and society.
- Provide a state-of-the-art conducive learning environment that promotes creativity and innovation.
- Engage with our industry stakeholders/partners to develop entrepreneurship skills that meet the current and future needs of the society.

Message From Our Visionary Leader

Dr. L. R. Yadav
Founder & Chancellor

"Within the halls of ALARD lies the canvas where your extraordinary story begins, destined to paint the world with brilliance and purpose." Imagine a world where knowledge knows no boundaries, where learning transcends the confines of traditional classrooms, and where your passion is nurtured to bloom into greatness. This is the world I strive to create at ALARD University Pune, where the right to education becomes a cherished birthright and the right to employment an empowering realization.

In the vibrant corridors of ALARD, we bridge the gap between theory and practice, cultivating skills that transcend academia and flourish in the professional world. As you embark on this extraordinary journey with us, know that we are not merely imparting knowledge but igniting the flames of curiosity within you. It is my unwavering commitment to walk alongside you, to inspire, to guide, and to witness the remarkable transformation that awaits you within these hallowed halls.

Welcome to ALARD University Pune, where the convergence of academia and the professional world awaits you, where your future takes flight, and where you become the architect of your own success.

ALARD School of Engineering & Technology

ALARD School of Engineering and Technology (ASET) is committed to providing quality education to its students. Consistently striving to impart knowledge, ASET emphasizes achieving excellence in technical education. Keeping in mind the current industry standards, the School of Engineering and Technology maintains high standards in teaching, learning, and research, grooming students to take on any challenge in the 21st century.

Programs Offered

ALARD School of Engineering & Technology

Under Graduate Courses

B.Tech. Computer Science and Engineering	(4 Years)
B.Tech. Computer Science and Engineering (Cyber Security and Forensics)	(4 Years)
B.Tech. Artificial Intelligence and Data Science	(4 Years)
B.Tech Artificial Intelligence and Machine Learning	(4 Years)
B.Tech. Civil Engineering	(4 Years)
B.Tech. Civil Engineering (Construction Management)	(4 Years)
B.Tech Electrical Engineering	(4 Years)
B.Tech Electrical Engineering (Electric Vehicle)	(4 Years)
B.Tech Electronics and Telecommunication Engineering	(4 Years)
B.Tech Electronics and Telecommunication Engineering (Semiconductor)	(4 Years)
B.Tech. Mechanical Engineering	(4 Years)
B.Tech. Mechanical Engineering (Smart Manufacturing)	(4 Years)

Eligibility

- Passed 10+2 examination with Mathematics, Physics and Chemistry. Obtained atleast 45% marks (40% marks in case of candidates belonging to reserved category) in each of the above subjects.
- Passed Minimum THREE years / TWO years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology.
- Students with good scores in MH-CET, JEE or any other equivalent competitive exams, or ALARD University Entrance Test.

ALARD School of Business Management

ALARD School of Business Management (ASBM) aims to equip students with industry relevant knowledge and skills for the 21st century, focusing on fields like AI, Data Analytics, and Machine Learning. - Candidates are selected based on merit and Personal interview conducted by ALARD University Pune.

ALARD School of Pharmacy

ALARD School of Pharmacy aims to develop skilled pharmacy professionals through its programs: Diploma in Pharmacy (D. Pharm), Bachelor of Pharmacy (B. Pharm), and Master of Pharmacy (M. Pharm) with specializations in Pharmaceutics and Quality Assurance Techniques. The curriculum combines theory and practical skills, with state-of-the-art facilities and experienced faculty. The school focuses on industry-relevant learning and innovative teaching methods, providing strong career placement opportunities in the pharmaceutical sector.

Programs Offered

ALARD School of Pharmacy	
DIPLOMA D. Pharm	(2 Years)
UNDER GRADUATE COURSES B. Pharmacy	(4 Years)
B. Pharmacy + MBA Pharma technology	(4 + 1 Years)
POST GRADUATE COURSES M. Pharmacy (Pharmaceutics, Pharma QA)	(2 Years)
M. Pharmacy (Pharmaceutics, Pharma QA) + MBA Pharma Tech	(2 +1 Years)
PhD	(3 Years)Min

Eligibility

D. Pharm

- Candidates must have passed 10+2 (with subjects Physics, Chemistry, Biology or Maths.)
- Indian National candidate with minimum qualification for admission to Diploma in Pharmacy- A pass in 10+2 examination (regular science academic stream) with Physics, Chemistry and Biology or Mathematics.
- Any other qualification approved by the Pharmacy Council of India as equivalent to the above examination.

B.Pharm

- 10+2 pass (with Physics, Chemistry, Biology and/or Maths)
- Candidate shall have passed 10+2 examination conducted by the respective state/central government authorities recognized as equivalent to 10+2 examination by the Association of Indian Universities (AIU) with English as one of the subjects and Physics, Chemistry, Mathematics (P.C.M) and or Biology (P.C.B /P.C.M.B.) as optional subjects individually. Any other qualification approved by the Pharmacy Council of India as equivalent to any of the above examinations.

M. Pharm

(Pharmaceutics)

- Candidates must have B. Pharm with minimum 55% marks aggregate marks (for Open category) and 50% aggregate mark (for Reserved category) from PCI approved Institute.
- Should have obtained PCI Registration or should obtain the same within 1 month from date of admission.
- Candidate must have positive score in any of this GPAT/ AUSET Entrance Test.

M. Pharm

(Pharmaceutical Quality Assurance)

ALARD School of Design

The ALARD School of Design is where imagination meets technology. Our programs seamlessly blend traditional design principles with the latest technological advancements, offering students the best of both worlds. From Communication Design to 3D and VFX, Game Design, and UI/UX, we offer diverse opportunities for creative exploration. Practical learning is at the heart of everything we do and students collaborate with industry experts and work on real-world projects, all while utilizing our state-of-the-art labs.

Programs Offered

ALARD School of Design

UNDER GRADUATE COURSES

B.Des (Communication Design)	(4 Years)
B.Des (UI / UX Design)	(4 Years)
B.Des (Game Design)	(4 Years)
B.Sc. (Graphics, 3D Animation & VFX)	(3 Years)
B.Sc. (Game Design & Motion Graphics)	(3 Years)

Eligibility

- Candidates must have passed 10+2 with at least 55% aggregate marks (for Open category) and 50% aggregate marks (for Reserved category) with any stream.
- Candidate must have positive score in any of this UCEED/ NIFT/ NID DAT/ AIEED/CUET/ FDDI AIST/ AUSET Entrance Test.

ALARD School of Law

ALARD School of Law provides high quality of professional legal education both in undergraduate and postgraduate formats with its experienced faculty conducting academic as well as clinical legal programs . ALARD School of law has world class infrastructure in conducting clinical programs like moot court and a research oriented library catering to students & legal researchers.

Programs Offered

ALARD School of Law	
Under Graduate Courses B.A.LL.B LL.B	(5 Years) (3 Years)
Post Graduate Courses LL.M – (Criminal Law) LL.M – (Constitutional Law) LL.M – (Business Law)	(2 Years) (2 Years) (2 Years)

Eligibility

LL.B.

- Candidates must have graduation in any discipline with minimum of 50% aggregate marks (for Open category) and 45% aggregate marks (for Reserved category).
- Candidate must have positive score in any of this Common Law Admission Test (CLAT) / AUSET Entrance Test.

B.A. LL.B

- Candidates must have passed 10+2 from any stream with 50% marks (for Open category) and 45% aggregate marks (for Reserved category).
- Candidate must have positive score in any of this Common Law Admission Test (CLAT) / AUSET Entrance Test.

LL.M.

- Candidates must have passed LLB degree with minimum of 50% marks (for Open category) and 45% aggregate marks (for Reserved category).
- Candidate must have positive score in any of this Common Law Admission Test (CLAT) / AUSET Entrance Test.

ALARD School of Health & Biosciences

ALARD School of Health and Biosciences ventures into highly specialized and differentiated programme in Health & Hospital Management, Biosciences and Paramedical Health Science. The ALARD University Pune provides a dynamic and translational interdisciplinary research driven, industry-oriented environment to develop the students into visionary leaders and professionals with scientific temperament who can make significant contributions to the society by advancement of healthcare and biosciences globally.

Programs Offered

ALARD School of Health & Biosciences

Under Graduate Courses

BHA in Hospital Administration
B.Sc. Optometry
B.Sc. Radiology and Imaging Technology
B.Sc. Medical Lab Technology
B.Sc. Biotechnology

Post Graduate Courses

MHA – Master of Hospital Administration
MPH – Master of Public Health
M.Sc.- Radiology and Imaging Technology

Eligibility

BHA

- Candidates must have passed 10+2 with at least 45% aggregate marks (for Open category) and 40% aggregate marks (for Reserved category) with Biology/Maths/Commerce/Arts.
- Candidate must have positive score in any of NEET/MHT-CET/ AUSET Entrance Test.

B.Sc. (Optometry)

- Candidates must have passed 10+2 with at least 45% aggregate marks (for Open category) and 40% aggregate marks (for Reserved category) with Biology as compulsory subject.
- Candidate must have positive score in any of this All India Level Entrance Test/ State Level Entrance Test/National Level Entrance Test/ AUSET Entrance Test.

B.Sc. (RIT)

- Candidates must have passed 10+2 with at least 45% aggregate marks (for Open category) and 40% aggregate marks (for Reserved category) with Biology as compulsory subject.
- Candidate must have positive score in any of this All India Level Entrance Test/ State Level Entrance Test/National Level Entrance Test/ AUSET Entrance Test.

B.Sc. (MLT)

- Candidates must have passed 10+2 with at least 45% aggregate marks (for Open category) and 40% aggregate marks (for Reserved category) with Physics, Chemistry, Biology.
- Candidate must have positive score in any of NEET/MHT-CET/ AUSET Entrance Test.

B.Sc.(Biotechnology)

- Candidates must have passed 10+2 with at least 45% aggregate marks (for Open category) and 40% aggregate marks (for Reserved category) with Biology as compulsory subject.
- Candidate must have positive score in any of this All India Level Entrance Test/ State Level Entrance Test/National Level Entrance Test/ AUSET Entrance Test.

MHA

- Candidates must have graduation with at least 45% aggregate marks (for Open category) and 40% aggregate marks (for Reserved category) in commerce or science streams.
- Candidate must have positive score in any of this All India Level Entrance Test/ State Level Entrance Test/National Level Entrance Test/ AUSET Entrance Test.

MPH

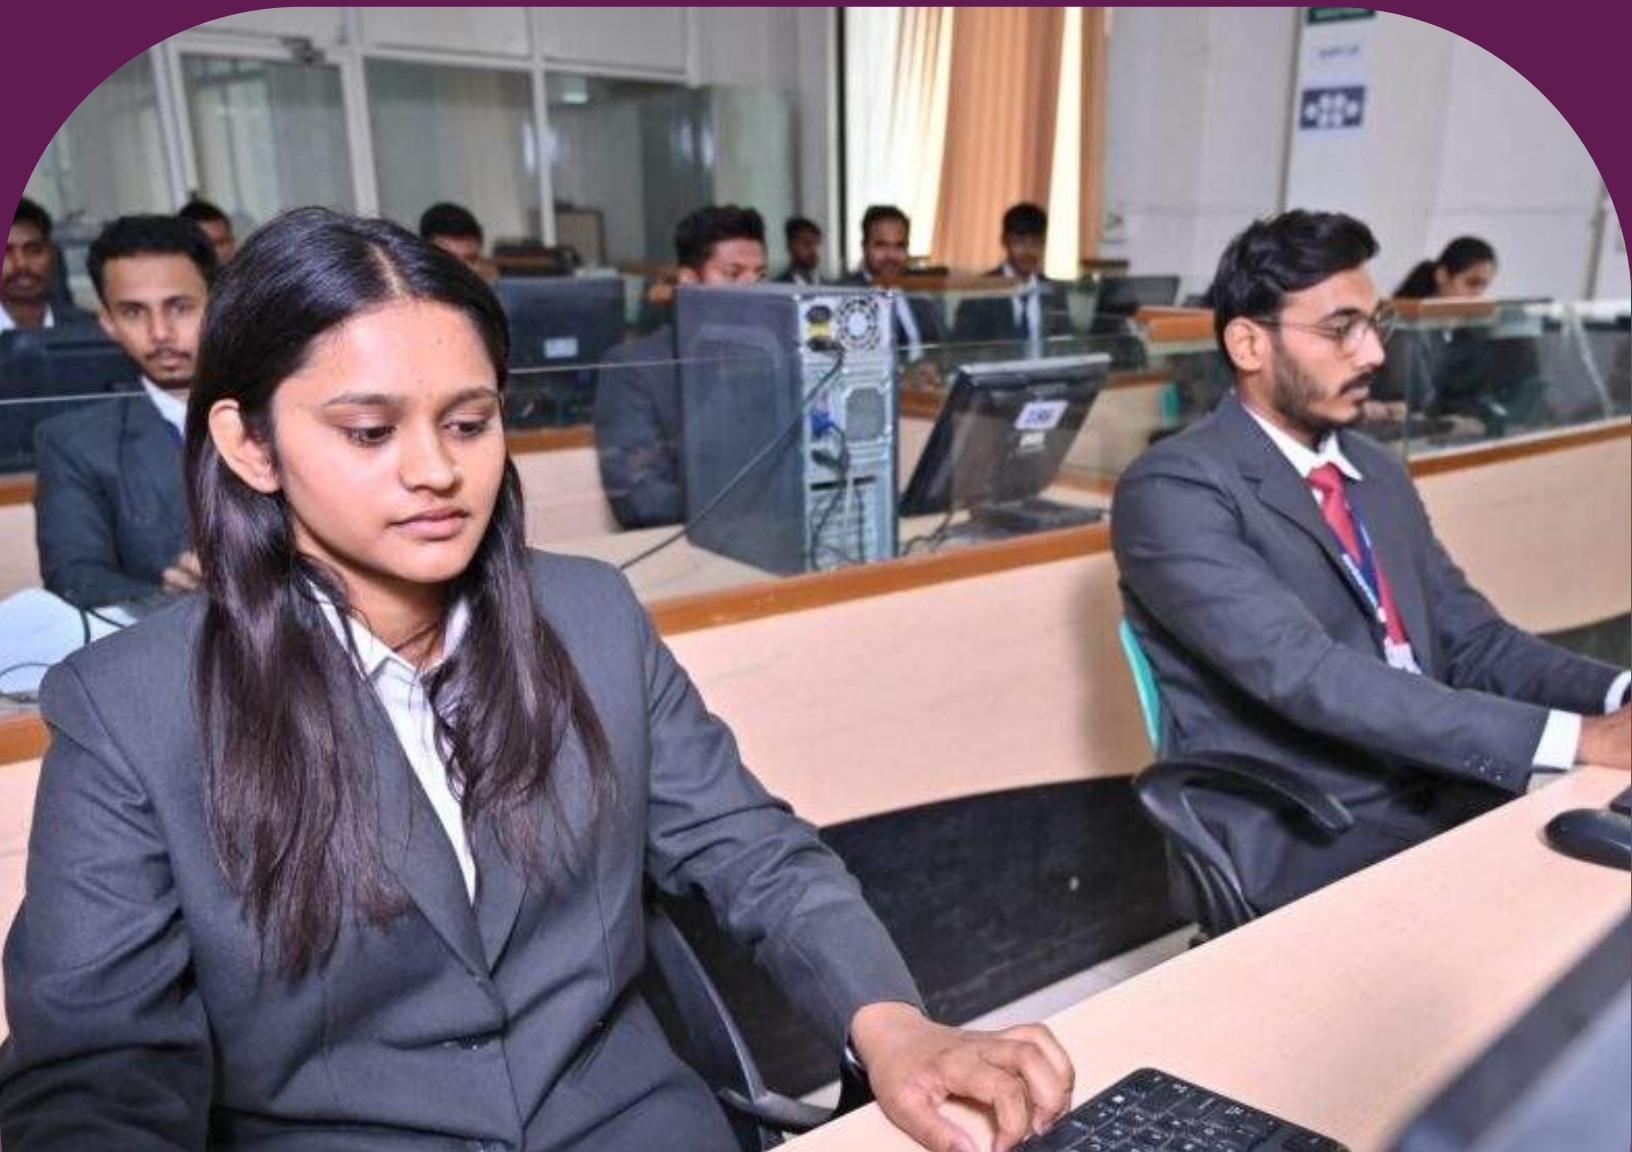

- Candidates must have graduation with at least 45% aggregate marks (for Open category) and 40% aggregate marks (for Reserved category) in commerce or science streams.
- Candidate must have positive score in any of this All India Level Entrance Test/ State Level Entrance Test/National Level Entrance Test/ AUSET Entrance Test.

M.Sc. (Radiology and Imaging Technology)

- Candidates must have graduation with at least 45% aggregate marks (for Open category) and 40% aggregate marks (for Reserved category) in science streams.
- Candidate must have positive score in any of this All India Level Entrance Test/ State Level Entrance Test/National Level Entrance Test/ AUSET Entrance Test.

ALARD School *of* Interdisciplinary Research

ALARD School of Interdisciplinary Research fosters a vibrant academic environment focused on advancing knowledge and nurturing intellectual curiosity. It offers exceptional support for doctorate candidates, enabling innovative research across various fields with access to top notch resources. The school aims to develop aspiring scholars into key contributors of the 21st century, transforming their academic journeys.

Programs Offered

ALARD School of Interdisciplinary Research	
Ph. D	
Law	(3 Years)
Engineering	(3 Years)
Management	(3 Years)
Pharmacy	(3 Years)
Health & Biosciences	(3 Years)

Eligibility

- Master's degree in relevant discipline with a minimum of 55% marks in their eligibility examination or equivalent CGPA, or a 4-year undergraduate (BE/B.Tech/BBA/BCA) with a minimum of 75% marks or equivalent CGPA. (5% relaxation for category students).
- Candidates with high scores in National/State level qualifying exams such as UGC (NET, SET, CSIR, ICAR), CAT, MAT, XAT, ATMA, GRE, GMAT, GATE will be preferred.
- For Law – LLM with minimum 55%.
- Due consideration will be given to candidates with experience as Research Assistant, Fellow from reputed Research Organizations, and/or from industries.
- Candidate may avail any existing or other fellowship as per criteria and UGC approval.
- Students will have to qualify for the ALARD Research Entrance Test (ARET).
